I.C.E. (Integrated Cabin Entertainment)

I.C.E.

Passenger Control Unit controls remote-mounted "I.C.E." components: Sirius® Satellite Radio, DVD/CD, or MP3 player.

Remote mounted Sirius® Satellite Radio module with antenna. 120 streams of coast-to-coast digital quality sound including NFL and NASCAR.

Remote mounted multi-regional DVD drive which allows you to view DVDs from any region around the world. The unit also is a CD/MP3 player.

7" wide-screen format TFT active-matrix flat panel LCD with optional touch screen.

Remote mounted video amp with 2 video inputs and 6 video outputs. Six individual 12 VDC power supplies at 0.75 amps each.

Avionics Innovations products are tested to DO-160 environmental test requirements and are FAA/PMA approved. All AI products are built with additional EMI/RFI shielding to prevent interference with the operations of communication, navigation and radar systems.
